Building and civil engineering contractors with
many years of passion and experience

OUR EXPERTISE

PRE-CONSTRUCTION SERVICE

We ensure your project begins with the ultimate endgame in mind. Libra's pre construction service includes every aspect of your commercial build's scope

CONSTRUCTION SERVICE

Our Construction team is made up of dedicated professionals who bring the latest advances in construction to every project.

POST-CONSTRUCTION SERVICE

Post construction Service from Libra Engineering ensure a comprehensive close-out to every critical part of your construction project.

WHY CHOOSE US

STRATEGIC PARTNERSHIP

As a Strategic Construction Partner, we operate as an extension of our client's own staff, overseeing both project construction and facilities management

DESIGN-BUILDING SERVICES

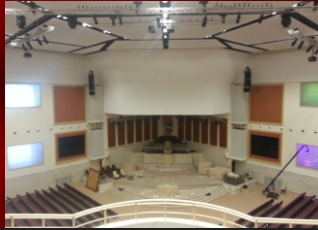

Combining the function of an architect, engineer and construction manager into a single entity, we provide an integrated approach that is focused on the specific needs of your project.
